Safety instructions

This manual explains the proper installation and use of your range hood, please read it carefully before using even if you are familiar with the product. The manual should be kept in a safe place for future reference. In case of failure, only the Authorised Technical Service may repair this range hood. Otherwise the guarantee will be null and void. All Bellini Appliances are for domestic use only.

Never to do:

- This appliance is not intended for use by persons (including children) with reduced physical, sensory and mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.
- Never carry out flammable cooking under the appliance
- The exhaust from the range hood must not be discharged into any heating flue, which may carry combustion products from other sources.

- Do not leave lit gas burners exposed due to the risk of fire.

Always to do:

- Packaging materials (eg; polystyrene and plastic items) must be kept out of reach of babies or young children at all times due to risk of suffocation.
- Young children should be supervised to ensure that they do not play with the appliance.
- Ensure the range hood is switched off before carrying out maintenance, to avoid any possibility of electric shock.
- Filters must be removed every four weeks (maximum) for cleaning to reduce the risk of fire.
- There must be adequate ventilation of the room when the range hood is used at the same time as appliances burning gas or other fuels.
- Always cover lit gas burners with pots or pans when range hood is in use.
- Always switch off gas burners before you remove pots or pans.
- If the supply cord is damaged, the cord must be replaced by the manufacturer, its service agent or similarly qualified persons in order to avoid a hazard
- Plug must be accessible after installation.

Safety instructions

Never to do:

- It is prohibited to fit the range hood over a solid fuel stove
- This appliance must not be connected to a chimney or vent flue which is in use.
- This appliance is not to be vented into the roof cavity, must exit into open air.
- Exhaust air must not be discharged into a wall cavity, unless the cavity is designed for the purpose.
- This appliance should not be connected to ducting which ventilates rooms with fire places.

Always to do:

- Attention should be given to ensure that any applicable regulations concerning discharge of exhaust air are fulfilled.
- This appliance should be installed and maintained by a suitably qualified and competent person in accordance with the relevant safety regulations.
- Before connecting the appliance to the mains supply, ensure that the voltage and frequency details on the rating plate are consistent with the source of supply.

This product must not be disposed together with domestic waste. This product has to be disposed at an authorised place for recycling of electrical and electronic appliances.

By collecting and recycling waste, you help save natural resources, and make sure the product is disposed in an environmental friendly and healthy way.

Product description

Accessories		
Description	Picture	QTY
User Manual		1
Upper chimney retaining bracket		1
Lower chimney retaining bracket		1
Hood mount bracket		1
Dynabolts (6 mm x 60mm)		4
Dry wall anchors plugs		7
Screw (ST4x8mm)		4
Screw (ST4x30mm)		2
Screw (ST4x40mm)		5
Flap		4
Strap		2

Component list:

1. Chimney cover
2. Upper chimney retaining bracket
3. Upper decorative chimney (Inner)
4. Lower chimney retaining bracket
5. Lower decorative chimney (outer)
6. Flexible exhaust duct
7. Hood mount bracket
8. Main body
9. Baffle filter

Technical data:

Power supply: 220 – 240v,
 50Hz Motor: 2 x 380W
 Lights: 4 x 2W LED lamp
 Length of power cord: 1.5m
 Air outlet diameter: 150mm

Installation and start using your range hood

Dimensions:

Installation Procedures:

Warning:

Check that the installation complies with the standards of local building, gas and electrical authorities. Before connecting to the mains supply ensure the mains voltage corresponds to the voltage on the appliance rating plate inside the range hood.

When installing the range hood, make sure you adhere to the minimum and maximum distances from the range hood base to the cooktop hob surface.

Hints for exhaust duct installation

The following rules must be strictly followed to obtain optimal air extraction

- Keep exhaust duct short and straight
 - Do not reduce the size or restrict exhaust duct
 - When using flexible duct always install the duct pulled taut to minimize pressure loss
 - Failure to observe these basic instructions will reduce the performance and increase noise levels of the range hood
- Ensure the exhaust ducting selected for installation complies with relevant standards and is fire retardant.

1. Using a spirit level, mark a vertical line on the wall (Central to the cook top installed below) to indicate the centre location of the hood and a horizontal line where the hood base will be positioned. Drill holes as per below drawing and insert *dry wall anchor plugs* into holes.

NOTE: The distance from the horizontal line to an electrical cooktop underneath must be minimum of 650mm & 700mm for the gas cook top and a maximum height of 800mm (refer to table below).

*If the instructions of the hob specify a greater distance than the minimum above, then that shall be the minimum height for installation

2. Once the installation height of hook, inside chimney bracket and safety hole is fixed according to the pic 1, drill 6 $\phi 11$ mm holes on the wall.

pic 1

pic 2

3. Insert 7 pcs wall plugs into the holes of inside and outside chimney brackets as well as the safety hole. Put 4 pcs M6*60 screws into the corresponding 4 holes for the hook and fix it on the wall. Then use 2 pcs ST4*40mm screws to install the inside chimney bracket on the wall. See pic 2.
4. Open and take down the 8 filters in order following the 3 steps. See pic 3.

pic 3

5. Hang the cooker hood on the hook. See pic 4.

6. Fasten ST4*30mm screws to the two safety holes on the cavity and fix the cooker hood. Note: The two safety vents are positioned on the back housing, with diameter of 6mm. See pic 5.

pic 4

pic 5

7. Lay the expansion pipe to the two blower outlet, and fix the expansion pipe with a cable tie. See pic 6.

pic 6

pic 7

8. Put the inside chimney into the outside chimney, and hang the outside chimney bracket to the hole of outside chimney. See pic 7.

9. Fix the outside chimney bracket on the wall with 3 pcs ST4*40 screws. See pic 8.

pic 8

pic 9

10. Put the chimney on the cooker hood and be sure that the inside chimney can be adjusted the height in it freely. Then lead the expansion pipe to outside. See pic 9.
11. Adjust the height of the inside chimney to the position of the inside chimney bracket and fix on it with 2 pcs ST4*8mm screws. See pic 10.
12. Install the inside chimney cover to the top of inside chimney with 2 pcs ST4*8mm screws. See pic 11.

Start using your range hood

O – off button, used for turning off the fans.

Speed –select speed to suit cooking conditions

 Low – light frying/boiling

 Medium – frying/wok cooking/heavy boiling

 High – grilling, intensive frying and wok cooking

 **Lamp** – Turn on/off light

Maintenance and cleaning

Caution:

- Before maintenance or cleaning is carried out, the range hood should be disconnected from the main power supply. Ensure that the range hood is switched off at the wall socket and the plug removed.
- External surfaces are susceptible to scratches and abrasions, so please follow the cleaning instructions to ensure the best possible result is achieved without damage.

GENERAL

Cleaning and maintenance should be carried out with the appliance cold especially when cleaning. Avoid leaving alkali or acid substances (lemon juice, vinegar etc.) on the surfaces.

STAINLESS STEEL

The stainless steel must be cleaned regularly (e.g. weekly) to ensure long life expectancy.

Dry with a clean soft cloth. A specialized stainless steel cleaning fluid may be used.

NOTE: Ensure that wiping is done along with the grain of the stainless steel to prevent any unsightly crisscross scratching patterns from appearing.

CONTROL PANEL SURFACE

The inlay control panel can be cleaned using warm soapy water. Ensure the cloth is clean and well wrung before cleaning. Use a dry soft cloth to remove any excess moisture left after cleaning.

Important

Avoid using harsh cleaning chemicals, strong household detergents or products containing abrasives as this will affect the appliance appearance and potentially remove any printing of artwork on the control panel and will void manufacturer's warranty.

GREASE MESH FILTERS

The mesh filters can be cleaned by hand. Soak them for about 3 minutes in water with a mild detergent and then brush it gently with a soft brush. Do not apply too much pressure so as to avoid any damage to it. (Leave to dry naturally out of direct sunlight)

Filters should be washed separately to crockery and kitchen utensils. It is advisable not to use rinse aid.

INSTALLING GREASE MESH FILTERS

- To install filters for the following four steps:
 - Angle the filter into the slots at the back of the hood.
 - Push the button on the handle of the filter.
 - Release the handle once the filter fits into a resting position.
 - Repeat to install all filters.

Important Information

Important :

- ✧ The LED light must be replaced by the manufacturer, its service agent or similarly qualified persons.
- ✧ Always switch off the electricity supply before carrying out any operations on the appliance. When handling the light, make sure it has completely cooled down before any direct contact to hands.
- ✧ When handling the light hold with a cloth or gloves to ensure perspiration does not come in contact with the light as this can reduce the life of the light.

Note:

- Before changing the lights, make sure that the appliance is turned off and unplugged.
- Protect against danger when changing lights, such as wearing gloves.

Changing the lights:

Follow the steps 1, 2, and 3 to open and remove the three filters, and then unplug the light cord to replace the LED light.

- ILCOS D code for this lamp is: DBR-2/65-H-64
- LED modules –round lamp
- Max wattage: 4×2 W
- Voltage range: AC 110-240V

WARRANTY

- 1.1 In this warranty:
- 1.1.1 Australian Consumer Law means the law as set out in Schedule 2 of the Competition and Consumer Act 2010;
 - 1.1.2 **Company** means GSM Retail Australia Pty Ltd ABN 53 007 682 475 of 142-144 Fullarton Road, Rose Park SA 5067. Telephone 1300 373 199. Email admin@gsmretailaust.com.au;
 - 1.1.3 **Consumer** means a “consumer” as that term is defined in Section 3 of the Australian Consumer Law as the original purchaser of a Bellini product;
 - 1.1.4 **Consumer Guarantees** means the guarantees under the Australian Consumer Law;
 - 1.1.5 **You** means the Consumer.
- 1.2 Nothing in this warranty affects any person’s rights under the Australian Consumer Law. The benefits to any Consumer under this warranty are in addition to the rights and remedies available under any Consumer Guarantees.
- 1.3 Subject to the other clauses of this warranty, the Company warrants to the Consumer that the Bellini product will be free of manufacturing defects and will perform to the Company’s specifications.
- 1.4 The benefit of this warranty extends only to the Consumer as original purchaser of a Bellini product which is installed in a domestic household area.
- *The in Home warranty does not apply to Commercial and or industrial usage. *Please See 1.7.7 for additional information*
- 1.5 This warranty commences on the date of purchase of the Bellini product by the Consumer and continues for the benefit only of the Consumer until the expiry of three (3) year **(Warranty Period)**.
- 1.6 If within the Warranty Period a manufacturing defect is discovered in the Bellini product or it fails to perform to the Company’s specifications as a result of some defect in materials, components or workmanship (Defect) then the Company will, at its option, repair the Bellini product or supply a replacement Bellini product free of charge. A replacement Bellini product may differ from the original product purchased by the Consumer.
- 1.7 This warranty will not apply to any Bellini product:
- 1.7.1 Installed by any person other than a qualified tradesperson; or
 - 1.7.2 Subjected to misuse, neglect, negligence or accidental damage; or
 - 1.7.3 Operated in any way contrary to any operating or maintenance instructions; or
 - 1.7.4 Improperly handled, installed or maintained; or
 - 1.7.5 Altered or modified prior to or after installation; or
 - 1.7.6 Damaged directly or indirectly by power surges, electrical storm damage or connection to incorrect power supply
 - 1.7.7 Industrial and or Commercial usage is inclusive of staff areas in office/ shop environments, hotel/ motel or other similar accommodation or rental type properties including Bed and Breakfast establishments.

The Australian Consumer Law requires the inclusion of the following statement with this warranty:

Our goods come with guaranteed that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

**IN ORDER TO MAKE A CLAIM UNDER THIS WARRANTY THE CONSUMER
MUST CALL 1300 373 199 (AUSTRALIA) OR 0800 764 912
(NEW ZEALAND) TO CONNECT TO THE NEAREST AUTHORISED CENTRE**

- 1.8 You must provide proof of your purchase of the Bellini product and the date of purchase in order to obtain the benefit of this warranty.
- 1.9 If you live outside the service area of the Company or one of its service agents, this warranty does not cover the cost of transport of the Bellini product for service nor the service agent's traveling costs to and from your home.
- 1.10 If you are required to transport the Bellini product to the Company or its service agent, you must ensure it is safely disconnected by a qualified tradesman and securely packed and insured. The Company does not accept any responsibility for loss or damage of the Bellini product prior to it being received by the Company or its service agent.
- 1.11 You will be responsible for all costs of returning a Bellini product to the Company and for redelivery of the Bellini product by the Company (whether it is the original or a repaired and/or a replacement Bellini product) and for any other expenses you incur in claiming under this warranty.
- 1.12 The Company or its service agent will examine any Bellini product and if the Company determines that it is defective through no fault of the Owner and is otherwise undamaged, the Company will repair or replace the Bellini product in accordance with this warranty.

DO NOT SEND IN THIS WARRANTY

Fill out the following details and file with your purchase invoice.

RETAIN & FILE WITH YOUR RECEIPT

Your Purchase Receipt/Invoice is proof of date of purchase. If you are unable to establish the date of purchase, or if the fault is not covered by this warranty, or if the product is found to be in working order, you will be required to bear all service call charges.

GSM Retail Australia Pty Ltd reserves the right to discontinue items, modify designs and change specifications without incurring obligation.

Whilst every effort is made to ensure that descriptions, specifications and other information in this publication is correct, no warranty is given in respect thereof and the company shall not be liable for any errors therein.
